I have been a C-SPAN viewer for years. I will continue to watch all of the action except for your WASHINGTON JOURNAL. WHY? I find most of those who call in to be mean, insulting and often disgusting. You have many fine and interesting guests on. Dear Mr. Lamb,

You have many fine and interesting guests on. They are experts on many matters, I am watching Adam Clymer being insulted by callers, the pain on his face is embarrassing, I want to learn what's going on. NOT LISTEN TO PROPAGANDA FROM FRINGE GROUP WACKOS. I now reach for the remote control. So long WASH. JOURNAL - R.I.P.
