

O. Amer Pres

To the C-Span Staff

**With best wishes
for the holiday season
and the coming year.**

*Thank you for the excellent American
Presidents series + re-runs. What I want
most for 2000 is to see your program
"Booknotes" closed captioned. Gratefully,*

The design features a large, ornate initial "G" in green with a red background and floral patterns. To the right of the "G", the word "Season's" is written in a large, elegant, brown script font, and the word "GREETINGS" is written in a bold, green, serif font below it.
