

Dear C-Span, I'm sitting here Monday March 15th at 7:05 P. M. and am mad as hell. On March 12th I cut a ad out of USA Today that said on March 15th you had a telecast on about George Washington I wanted to see it. First I watched C Span a bit to see if the time was given. No. I then consulted a folder I had from C Span that told me to call a phone number and the schedule would be given. No forward dope was given just about some morons on crying about not enough defense for rapists, murders, and dopers. I then waited until 6:25 when the folder said a schedule would be given. Was it? Hell no. I later phoned again and again the answer was you didn't know what was comming up except Joe Lockheart at the White House. I HAVE NOW BLOWN ABOUT \$3 in phone calls and know nothing. YOU PEOPLE DON'T KNOW WHAT THE HELL YOUR DOING. A pissed citizen
