Pleasantville, N.J.

Dear Sir or Mrs.

Every day on C-Span I see all these big mouth Republicans about what they are going to do about the S & L. and the tax payers money they are spending but nothing they are going to do about Neil Bush. Does being the Presidents son, let him out?

What is this another Nixon? Why the hell don't the Demos & Reps. put that rat in jail with no forgiveness like Nixon.

Bush has turned out to be the worse president since Hoover. He will bring on a depression just like H. Loner.

Hoover gave our old metal to the poor Japs who bombed us at Pearl Harbor, Now this idiot wants to help the Commies (over)

with food + ¹/₁₁ money. While his
son robs the tax-payers. This
idiot Bush is worse than
Hitler and he is a Commie
lover. Germany can't be trust-
ed. They are still Commies &
Nazis. They still want to
rule the world with the
help of Bush & the Japs again.

They even bought 7-11
here. But I nor other Americans
go there.

your loyal friend
