In re: American Conservative Union Convention

Dear C-Span: -

Thank you for the above program, however our local TCI, Pittsburgh, Cable yesterday disconnected C-Span programs and 6 others from our local basic - this is a real rip-off.- they are priding themselves with reducing the basic from \$12.25 to \$10.35, but in doing so are taking stations from us.

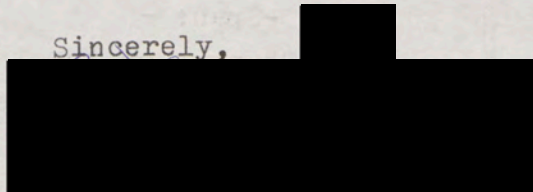

On my low social security check, I am unable to pay the \$22.00 they are asking us to pay to get the C-Span back.

Because with the basic we are able to get a clearer picture we need the basic, however, we are beginning to inquire about an outside cable (when we get a clear picture) we'll tell the cable company to come disconnect and we'll save the \$10.35.

On the 2 stations they took your program from, the replacement is advertisements of their adult/ sex movies on other channels.....

Again thank you, will miss everyone as I really enjoy politics and getting to know the folks in the district making us aware how government work, and how we can change it by throwing out the garbage that brings down our country.

Sincerely,
