Dear Program Coordinator:

The purpose of this letter is to request that you interview retired Lt. Colonel James "Bo" Gritz as well as the Republican and Democratic Presidential Candidates, once they are determined.

Colonel Gritz is running for President as an Independent Party Candidate. I have heard him several times on live talk radio programs and C Span. He had some very interesting and somewhat shocking things to say. Evidently he is the most highly decorated green beret and was a CIA agent after the Vietnam War. Several action movies have been made about his experiences in Vietnam. I would like to hear more about him and see him on your program.

With all the problems facing our nation, I think it is important that the public be made aware that there is a choice to the Democrat and Republican candidates. Your program can perform a public service by presenting an objective view of the candidates.

It was announced that Colonel Gritz can be reached through his campaign manager, Mr. Charlie Brown at:
