Dear C-Span,

This Letter will short and to the point! I consider myself a good American, or I think I try to be one. I've been a

I also know I'm not an expert in anything, wish I could say the same for the Media and the Politicians!

I Just want you to know that I'm upset and disgusted over your showing the Gay's March in Washington. As far as I'm concerned it was disgusting and should've never been given TV time like you gave it. These people aren't normal and I hope there never given special rights! I don't hate these people, just don't approve of them & there way of life.

In closing, I want to say your wrong in showing them like

you did, Its things like this
and the "Acht", CNN and certain
Politicians that are sending
this great "Country" down the
tubes.

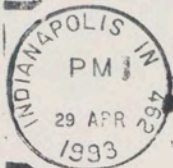

I'll not watch C-span again,
not that you care, but that's OK.
That was disgusting what some of
those Gays said on your (station)
you should feel proud of yourself.
Thank you for reading this letter
C-span and hope you'll be more care-
ful what you show in the future!

Thank you
