

Dear Friends, 910-90

FEB 28 REC'D

I love C-span but ... liberals
liberals, liberals! Give us a break!
They are all we have on all the
networks; can't C-span be different?
This morning I'm watching today
and Brian Lamb is there with 3
liberals as usual! I am a conservative
I don't hear my viewpoint even
stated let alone considered. If you
have to have Arnaud de Boregane on
every day for balance, please, do so!
