Dear Sir;

I watch C Span every day and I am generally pleased with your performance. I wish to offer this criticism.

When a caller asks an important and a pointed question of your news media guest, one which they feel they do not wish to answer you will pick up a newspaper and make a comment about a subject totally unrelated to the subject being discussed, thereby letting these media people off the hook. Brian, let these people take the heat.

A large group of Americans think that the news media is this countrys worst enemy. We often wonder if these people know how they really look at the other end of the T.V. tube. Maybe they do not care. Their friends are inside the beltline. How about doing an item on the trip which Senator Bob Smith and Garwood took to vietnam.

Sincerely

MANCHESTER NH 03102 -1128
