Dear sir:

Thank you so much for your excellent program and unique coverage of the New Hampshire Presidential campaign.

You are the best!

I have never been more interested in watching an election on television than this one, thanks to C-SPAN and it's wonderful and skilled people. No one does it better than Susan Swain and Brian Lamb. Every one seems so relaxed and under control.

I was particularly impressed with the session with Mrs. Loeb of The Union-Leader and Brian Lamb, February 16, 1992. This lady is remarkable! She has all the qualities I would like to see in the President of this Nation.

Sincerely yours,
