Dear Secretary Skinner:

I happened to see a program on C Span in Boston on Saturday January 19, of a meeting held the day before in Washington, D.C. I know Admiral Busey, retired, was in attendance. I was wondering how I could get a copy of that conference.

The reason for my interest is that I am Vice President and Branch Manager of Fahnestock & Co. Inc. in Boston. I have been investing in American Science & Engineering for a number of years and have many clients that have owned the stock also. Please let me know how I could get a copy of this conference.

Sincerely,

Vice President
Branch Manager
