Re: Impeachment

Dear Mr. Lamb,

Thank you for your impartial coverage on the impeachment. When I am at my wit's end with it I recover by watching book reviews on C-Span 2. Thoughts on the former follow. The enclosed doggerel I sent to each senator and various representatives and media barkers.

Punishment: Time served.

Morality: Monica was free, white and 22.

Chivalry: I, age 55, resent a hypocrite such as Henry Hyde posturing as the Great White Father protecting the honor of women and children.

Future: The Republicans go the way of the Whigs and Know Nothings.

Dignity: Did Rehnquist's wife really let him out of the house with that robe?

Doggerel enclosed.

Sincerely,

KYRIE, ELLEISON

*Calvin, an expert on sin,
Starr's ancestral kin.
His was the elect
The Lord would select.*

*Now Calvinist progeny alone
Has God's home phone.
And the vox populi Falwell
Predestines to hell.*

*The heretics cry,
Henry Hyde you lie.
A family you did break
And left in your wake.
Then you sally forth
To defend Ollie North.
A lie under oath...under the circumstance
Must be given tolerance.*

*Are you a papist?
That you sway
When you see grey?
Then like a Calvinist
You wave away the mist
And embrace Starr to loathe
A sex lie under oath.*

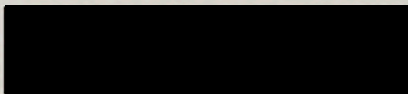

*No secret confessional box,
Put him in the public stocks.
In the town square
Lay his soul bare.*

*Mea culpa, mea culpa,
Mea maxima culpa.*

*Sex, lex, sex, lex,
See he's lyin'.
Throw him to the lion.*

*Lies, adultery, pride
Each side...
Tho' full of sin
Must win.*

*The media elite
On the Beltway beat
Ex cathedra sneer
Into the public ear
And underestimate
The Third Estate,
Who only ask ever so bored,
Whose ox is getting gored?*

*But surprise!
All those lies.
In mysterious ways
The Lord does faze.
Heaven sent
Is Larry Flynt?
His targets selected
Among those elected
Predestined to fall,
Sinners all.*

*Family, duty...
Political booty.*

*What have we done?
Kyrie, Eleison.*
