My Comment to your broadcast of Dec. 23rd, in which  
Fred Turner, CNN, L.A. Times Reporter + Helen Hume;  
I was impress with Helen Hume, her comments were  
brilliant, represented my kind of reporting, her comments  
were of substance and constructive. Why all that space  
given to a rehash story? I ask why? Trying to help  
their Party, the Republican? I guess it was a dull  
reason for news, and they had to get something. They  
selected this Lawyer Taylor, an enemy of our President, who  
called the Newspaper for these two law breakers themselves,  
these patrol officers for a made up story. They were  
hard up for a story.

My estimation of CNN and L.A. Times went down, down.  
I won't waste my time watching CNN, or reading  
the L.A. Times. As Fred Turner said, "I was fun as long as  
it lasted." Yes, I guess most of the news that down graded  
our President is fun to them. Stop him some way in his  
successful year! Anything!

Sincerely,
