My dear Mr Lamb:-

Just sitting listening to C-span
absolutely exploding with fury!
Not bi assed? Just what are you?
The program - A New York Times
9/1 Talking about The POW-MIA's
Issue - The New York Times is
Notoriously bi assed and also
They dish out as facts dis in form-
ation - A blatant example -
"We stole The Panama Canal -"
Saying Castro was NOT A
Communist and a savior of Cuba -
I could go on for pages - But
where ??? are those on your
program who believe and have
Made it Their Life work to get

The POW's home? I have written
you and written you demanding
and pleading with you to
invite Lt Col. James "Bo" Gritz
and or John deBoullivier to be
guests on your program - They
work tirelessly to try to get them
home "Bo" Gritz went to see Pres.
Bush immediately upon returning
from A Trip to S.E. ASIA to
report to him about seeing POW's
Pres. Bush told him to go peddle
his wares some where else!
Senator Kerry is a Member of The
Order as Pres Bush is - you think
he's going to do any thing about our
pror boys that even the Soviets
have admitted to holding Prisoners?

If you are NOT bi assed I like to
know what your definition of
bi assed is? I will NEVER again
boast C-Span to ANY one - what
I tell others is That your program
is The MOST UN bi assed program
That there is which says nothing
for it is Today's Mass Media
Which is controlled by "ONE World"
Advocates - At Least provide
2 Sides to AN issue -

Once upon a Time ago you did
That but NO MORE -

Sincerely
