S. WJ

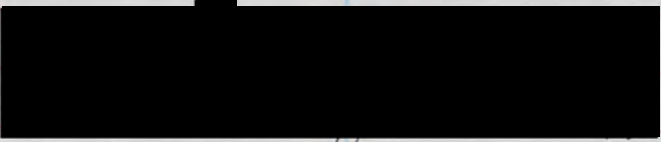

Dear Sir:

I listen to C.S. every day. It makes my day. I think you are the most Honest & fair Person I have ever seen on T.V. On Jan 5th I will be 85 years old. and I get very upset when those people Call in and say Bad thing to you about those 3 lines I like them very much, hope you keep them, Because we get to hear all those R. Call in as D.^s They are all the ones I have heard complain. Because before you had 3 lines, the R's Call in & Blocked all the lines. I am a D. I would never vote R. Because I lived through Holler Days. My family nearly Starved. we Barely had food to survive on. we lived on a small farm. I have worked on farm for other farmers for 25¢ a Day. To Buy bread. when Public jobs came in I got a job paid 5.00^{Wk.} for 5½ days per week that was less than 1.00 per day. and walked 3 miles there & 3 miles Back home. if it was raining or cold

I had to be there, are they would
fire me. after that job I got a
job at [REDACTED] I worked
12 hours at night 6 nights a week, for
~~\$8.00~~ \$8.00 per wk. and walked 3 miles to
that one. I was only making 1.90 per H.
when I retired at 62. so you can guess
easy how small my SC check is
I live total on it. But I am proud
to get that. I own a small 4 room house
so I pay all my Bills and have plenty
to eat, As you know we were only promised
Bread & water. so I am thankful.
I don't need anything. I have been a
Christian for 73 years, God takes care of me.
I am not one of those C. like Ralph Reed
~~or~~ Fairwell. good people don't Bash others
they pray for them. in all my years I
have ever heard as hard word said about
a president, as about our president. I just
think ^{they} are wrong to Bash him. I have
seen several presidents I didn't like. But
I never said bad things about them,
I think it wrong to do that, I was raised
in Ga by a Baptist minister, and my

Mother was just as good a person. and
I was married & raised 2 children, I
was very proud of. of which my son
past away 10 years ago. I'm sure you
not interested in what's happened to me.
I just wanted to say those people out there
most of them don't know what hard
times is. allos, I wanted to tell you,
Regardless of what those people say
about you out there, I think you are
one of the most honest & fair people
I have ever seen on T.V. don't let them
tell you that your not. Keep the 3 lines
to call on. I just want to write you
hope you don't mind, I'll Close by saying
Thanks and good Luck

Sincerely

Adairsville, Ga 30103
