This old lady says:

Kinsley & Dodge - good program!  
about the Clinton scandals: Doesn't it  
occur to anyone that when Congress  
has a dilemma confronting them  
(health, education, budget etc) they distract  
us by bringing up another scandal to  
keep the media busy? It's a good ploy,  
and nothing gets done for the people!  
It's true. Won't you check this out?  
They said they would reform Congress! ?
