Dear Mr. Lamb - I'm a devoted viewer
and enjoyer of your weekly book review.
I thought this week's book by
Mr. Tialka was very timely! It was
deja vu for me as I remember how
we Americans sold and profited from
the sale of scrap metal to the Japanese
for years before the War (II) which
came back in the bodies of our fighting
men! We must look like easy
pickins for the Chinese and/or?
Sincerely -

O.B.K.
