

Jan. 15 (Fri)

watched "Wash" ^{1/15}
8 a.m. - then they sent
you off - too bad, since
the weather was so
foul I could not get
out this a.m. to pick
up my morning NY Times -
hoped C-Span would fill
in - [redacted] [redacted]

eve

caller was a woman, a Blk woman -
every one rationalized for + excused
good 'ol panderers, Bill C! poor Bill -
just sex (how about C. Thomas), or we're
all sinners (yeah, how about D. Duke) - never
have I listened to such stupidity +
brain washing - when Corn came on, that
was the last straw - rabid ideologues I do
NOT need at 8 am - too bad we missed
Chorey - maybe some common sense + rationality!!
Pathetic + pathetic re Blks in this country -
