Dear Mr. Lamb,

C. Spax is wonderful!

It is so hard to get through
my phone so I hope you'll ask
the reporters two questions for
me.

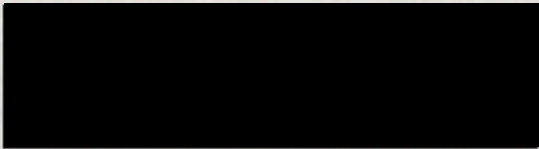

1. What - if anything - is being
done concerning the investigation
of Waco?

2. Why has Pres. Clinton never

released his medical records?
Before the election when asked
said he would release them -
So far nothing. Why?

Thank you,
