

C-Span 3529-90 OCT 23 ANSD Oct. 1, 1990 [redacted] Dpt. Ct. 06606  
To whom It May Concern: JCC: marketing

Please forward this problem to the proper office. Thank you.

I live in Bridgeport, Conn., zip code 06606 and we are served by Cablevision of Southern Connecticut, 114 River Street, Bridgeport, Connecticut, 06604.

For the past several weeks I have been horrified on week-ends when there is sudden unannounced intrusion into C-Span programming by a Home Shopping Show on Saturday for 3-4 hours, 9 A.M. to 1 P.M.

On Sunday an ACTS Jewish Television Station cuts in for 4 hours! This past Sunday yesterday, from eleven A.M. to four P.M. The program was a strange subject, the Yiddish Homeland Israel's discussions and conflict film cuts which appeared to be Arabs fighting. I can not understand this intrusion into regular program and I did call local T.V. stations, The Washington Post, etc., etc.,.

I do not think it is fair to suffer black-outs of special C-Span programs most of us can only watch on Week ends. C-Span is too important to all of us. It has been a blessing.

Please, I do not want to miss  
 Sunday, Oct. 7th program since  
 I was one of the viewers and  
 caller-inners interviewed.  
 Can someone help us? Thank  
 you.

(I was given a Norwalk, Ct.  
 number for Programming  
 area (203) 846-4700. This is  
 a serious precedent. The Shopor
