

P.S. - I would like to say if possible

Dear Madam -

APR 18 ANST

1170-90

3/4

I heard your talk on C-SPAN  
and commend you on your  
research & your persistence.  
To me, a retired teacher, it  
is shocking. Teachers like me  
the administrators are a hindrance.  
Some schools are like factories  
with foremen prodding teachers -  
Schools are not factories.
