Dear Mr. Lamb:

Just a note to thank you for the excellent program on the race for the U.S. Senate in Colorado. I wrote to you in July suggesting you cover this interesting race; I had no idea that you would dedicate so much of your valuable programming time to it.

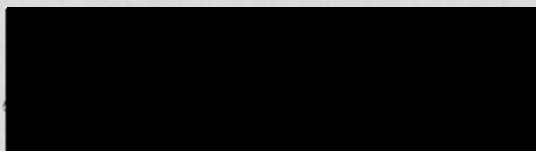

As usual, C-Span has managed to surpass all expectations, and I am ever so grateful for the education I've received from it. Your Democratic Convention coverage was superb as well. I feel very strongly that if everyone had access to C-Span we'd have less apathy among the electorate and who knows, perhaps the political junkies might outnumber the sports/sitcom junkies.

Thanks.

Sincerely,

PS- It's very amusing to watch the so-called Big 3 networks try to emulate your interview format, don't you think?
