

C SPAN.

Why are you giving Bill Clinton all this exposure to the people. It is nothing more than he telling people how great he is! He is not great. he is a liar (proven) cheat & loves to preen in front of camera to tell people look How I'm helping all you little people. you never covered Bush when he was Pres. Cable who sponsors you is pd by top payers. Shame on you! I'm sick of looking at his Proud look!
