I like C-Span because - for years I have wanted to visit Washington, D.C. and now one of the finest television shows may give me the opportunity.

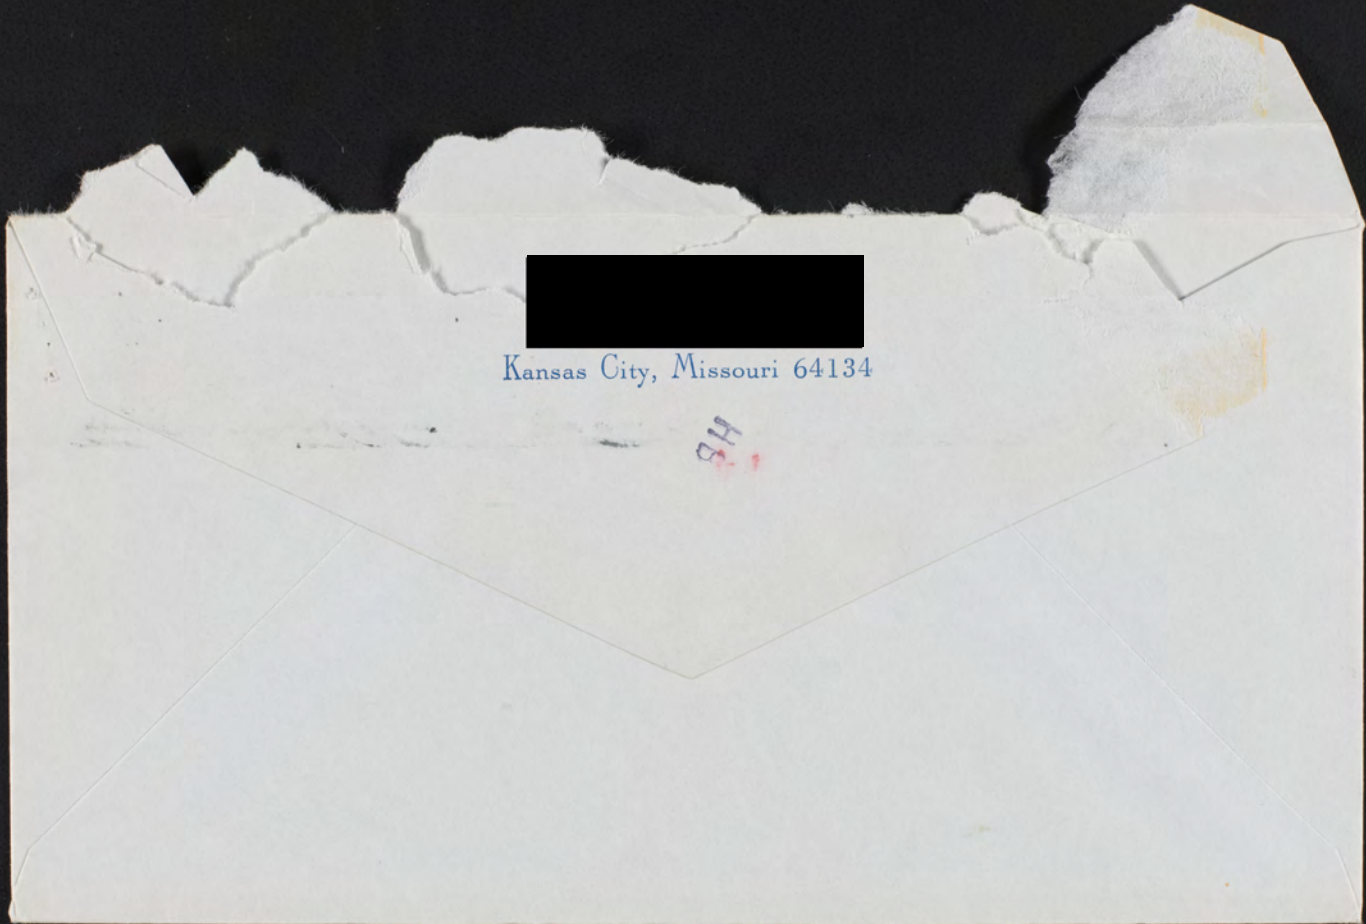

Thanks to C-Span and the fine staff, my husband and I (both retired) keep abreast of what goes on in our government, see how our elected officials function, get different viewpoints on issues from people across our country and hear knowledgeable guests explain or comment on current events and past historical events.

Who says history cannot be made interesting and understandable - C-Span can!
