Mr. Lamb:

O.W.) R

Next time you go to one of Sally Quinn's parties, ask her why she did not mention that she refers to the Clintons as "the Arkansas Hillbillies"!

I grew up in Wash. D. C. & I still have many contacts there - so I'm not convinced that she is as wonderful as you, Mr. Lamb, seem to think she is.

I realize that you personally hate Democrats (it comes through when you bring on your buddies like Sally Snob) but we think you should try to hide it a little better! Is this your cable money now?
