

The Corning Museum of Glass

The impressive Corning Museum of Glass offers a time tunnel trip through the ages. Visitors to the Corning Glass Center can also tour the Hall of Science and Industry and the Steuben Glass Factory.

Brian-

About 3 wks. ago a person
called in stating that govt.
officials - those holding top
positions - (Pres. Vice-Congress
etc.) do not pay income
tax on their very generous
pensions plus all their perks.
You and your 3 guests were
not aware of this. Did you
ever investigate further?
What did you learn? I'll await
your answer over the air.
