

5-27-98

C-SPAN,

When you ask
people to call only
every 30 days, you
should enforce the
Rule. I have started
Taking notes on Repeat
Callers. The old lady
with the distinctive
Gravelly voice from
Destin FL. Calls once
A week. She called on
5-23 + 5-27 during
the segment on The
Jim McDougal book. (over)

You might play
this back, so
your screeners
would wake up.

Also, why don't
you go back to
2 lines. Comments
and Newspapers
Articles, why
must you divide
people with 3 lines.
We should all be
AMERICANS.
