Dear Folks at C-Span,
I'm one of your die-hard
"C-SPAN junkies", and have just been
delighted with all of your
election programming, up until
about 5 minutes ago. At that time,
your announcer introduced a segment
dealing with RSEC + DSEC involvement
in our Georgia Senate run-off race
by referring to the "Democrat Party".
That is not the real name of the
Democratic Party; it's simply a
juvenile, grammatically incorrect
Republican slur.

Otherwise, I think everything you
do is excellent and without rival.

Sincerely,

raphy Services, 2511 South Tryon, Charlotte, N.C. 28203
