Dear Mr. Lamb:

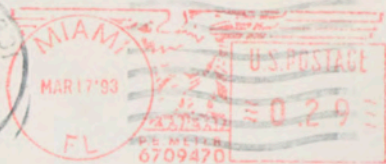

I am [REDACTED]
[REDACTED] in Miami. I would like to express my most sincere gratitude to you and C-SPAN for supporting the Close Up program that I was fortunate enough to attend.

I was not only able to attend this very special week in our nation's capital, but I also attended a town meeting that was jointly sponsored by C-SPAN. During the town meeting we, the youth of our community, were able to voice our concerns about such important topics as crime. I have gained an immeasurable amount of information from these two activities and hope that my fellow classmates are able to attend one day.

The only way that others will have the opportunity to attend activities such as the Close Up trip and town meetings is by the continued support from institutions like C-SPAN. I would like to thank you once more for your support in making it possible for students, such as myself, to learn about our government in such a fun and interesting way.

Sincerely,
[REDACTED]
