Dear Sir,

I am writing to express my disgust at the attempt ^{liberal} to take over the "Monday Morning Journalist Roundtable". During the earlier days of this Program when you and Susan were single handedly ~~managing~~ managing this Program an honest effort was made with considerable success to keep (Press Biases) balanced in spite of the Washington Press's overwhelming bias to the left. That effort appears to have ^{been} abandoned and journalist, or every Program appears to be ~~being~~ run without regard to this known bias thus most Programs have no conservative representation.

I would suggest as a ^{part of the} ~~new~~ ^{new} ~~idea~~ ^{idea} of the Policy of Planning
All Persons on the list for
invitation that are recognized as

finalized for membership in the
Washington D.C. Press Club. Instead
select for each Program 2 journalists
known to be biased 1- to left
and 1- to the right and of course
never select such flakes as the
twins that was on alone last
31 October 94. I am sure that
the nice lady conservative disowned
her Auto Problem when she learned
who was to appear with her on
that Program. The previous Monday
you had 3 left/biased journalists.

From the above you can
understand that we Conservatives feel
that we have been had. Most
disgusting was to discuss our dumping
much admired Brian defending the
Practice when challenged by several
Perceptive viewers.

Please Please give the Conservatives
a break - we would like to
respect you again. Sincerely
