Mr. Lomb,

I enjoy your show 'Booknotes' whenever I get the chance to watch it.

Specifically, I like your interview style, which I find honest and direct.

There is a new book ^{out} that I think may be of interest to you. The book is entitled "Objectivism: The Philosophy of Ayn Rand". It is written by Dr. Leonard Peikoff and published by Bantam books. I think an interview of Dr. Peikoff on your show would be fascinating.
