Dear Mr. Lomb.

First - please excuse my writing which may be unreadable at times, due to arthritis.

Second - I love C. Span - especially Washington Journal - which is why I'm writing.

I have seen, heard & listened to mostly wonderful guests. However, I, in truth cannot say this of Richard Nassir - (Sept 25th). This person was a sarcastic, snarling, saecring, kath gutting, nasty & deplorable "guest"!! I hope never to see him again on your program & should he be on, I will immediately change channels. I'm sorry he's a native of St Louis - I'm a transplant from N.Y. (here many years) & am also sorry he still resides in the state!

Now that I have vented my opinion I would like to make a suggestion - Please show the name of your host!

Lasters more often. As a newcomer
to C-Span I'm not familiar with all
you & knew you, Susan (a favorite as
are you), Steve & Connie, but not
others. Just a suggestion consider
the request - please - names, ^{if they} family etc?
Keep up your wonderful work
We miss you & your staff when
you're not on. Let ~~us~~ us know
what you all do when you're not
on the show.

Thanks again -

Chesterfield, Mo.

P.S. I'm assuming you wish
to know those we enjoy &
those we don't.
