Dear C Span -

There's getting so much
politics thrown @ us that
I've turned my T-V off for
the time being -

Am Pirray is 9/8 - maybe
I'll return to C Span later -
But during the Republican
when we had the Bush
family - all except one son
and the daughter -

I know the daughter has
remained - But one son isn't
even mentioned. Why not -
We know Ned got caught
with his hand in the cookie jar -
But the Bush Campaign to
push family value down my

threats of want to throw up.
Never water him as news
costs too much postage. -

Can you give me any
information or is it
classified?

Thank you

Sincerely -
