

Dear Brian:

O.WJ

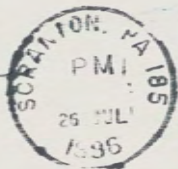

By "dividing" the phone lines, we
can no longer get a "take" on the
political views of the nation. You

are trying to be "fair" when in truth

You are being or trying to be "politically
correct" - It wasn't fair because the Reps
were getting more positive calls than Dems.

We're disappointed in C-Span, Brian,
We are looking forward to the Republican
Conventions on the Family Channel -
hosted or moderated by all Republicans!
