

Dear C - Spae: -

[REDACTED] 9/29/93
ITHACA, NY 14850

This morning's programming -- Al's
Cisneros, Mr. Boucher, Mr. Barton --
was perhaps the most civilized I've
watched in ages... literate, to the
point, and absolutely devoid of
name-calling & other symptoms of the
rot that seems to be symbolic of
today's political talk. May we have more
of the best -- as opposed to the worst -- of pol't.
