Our cable company has just started showing C-SPAN. I sure hope they continue showing it. It's a wonderful program. Other news media just give the American point of view but C-Span gives both sides.

What Iraq did was wrong but this Country did everything they are accusing of Iraq and more. It invaded Kuwait and Bahrain, used agent orange which is chemical warfare made by a chemical company on its own and civilians and even used atomic weapons on Japan the only Country to do so, use atomic weapons. How does this Country

except to protect Saudi
Arabia when it can't
protect the citizens in its
own country from drugs
crime corruption S & L's Had
600 dollar ~~toilet~~ toilet seats
and on and on and
nobody boycotted this
Country
Keep up the good
work.

P. S. And holding people
against their will. How

their will during W.W. 2
