Dear Manager,
on ABC, Station KGO on
radio 810 on the dial from
9:00 a.m. to 10:00 p.m. all the
talk shows are boring.

All these talk show hosts
are Conservatives.

I watch C-Span during
the day and turn the radio
on and listen to Bernie Ward.
He is Liberal and he makes those
who call give a reason for
their statements (10 p.m. to 1:00 a.m.)

He was given two weeks
vacation and KGO received so many
complaints about those calling in
for him that they asked him to
come back after one week.

Would there be any way he
could appear on C-Span so people
can hear his show with a
different view.

yours truly,
