

1-2-97

Dear C-Span,

Just want to thank you
for your wonderful 24 hour
program yesterday. It was
great. Don't get C-Span II
but will certainly try to.
Book-Notes is a must on
Sunday.

What I'm annoyed about -
LATimes did not feature
the program - no advance
notice in the paper. It was
only by accident I heard about
it! Thanks again
