PRODUCERS OF WASHINGTON JOURNAL & LIFE OF PRESIDENTS

Could callers to C-Span Log their questions and remarks on Tape so they would not be hanging on forever? They could leave a call-back number, and if the comment or question comes up, the reconnection could be established on your nicker. I think you'd be able to choose pertinent participation, as well as get better cross-section of opinion/questions.

I LOVE THE SERIES ON THE LIVES OF THE PRESIDENTS: You handle it with so much personality!

Sincerely yours,
