Dear Sir -

Re Buchanan's snide riposte
to black calls on The Beatitudes that
he was "pre-Vatican II" - be aware
there are some who honor & attempt
the works of mercy, still, as does
Baptist Clinton (is that your problem -
bapt of the press? (He's like Carter - see
Lodge - us).

What happened to you, Buchanan?
Another fed up bleeding heart liberal
who's assaulted daily by the likes
of Limbo. (The Sacred Heart bled, too)

Sincerely,

Stanford, N.Y.

p.s. Why are we
subjected to a preponderance of conservative propaganda?
