

C-Span ^{6-WS}_{Capex} Re: Designated Phone No's.

8-9-96

Very few of us watching C-Span can afford to make phone calls to express opinions - Again, I hear almost everyday, a call-in viewer informed you of the disappointment in C-Span To "RIG" The telephone procedure which in the past had been FAIR. It certainly presents a view to many of the viewers that you (C-Span) catered to the liberal call-in viewers and set up a "special line" for them instead of taking calls on a first come, first served basis. So, as a C-Span viewer, I am also disappointed that C-Span chose these methods to give liberals preferential treatment with a SPECIAL LINE - does that identify C-SPAN CEO's as liberal. YOU BET. And even more disappointing is that BRIAN LAMB nastily commented to several call-in viewers objections that ~~he~~ "We're continuing the 'split lines' regardless of how you feel." paraphrased so that is my viewpoint and I am very upset a once FAIR C-SPAN HAS RESORTED TO "RIGGING".
