Staff of C-Spin,
your Spin on C-Spin of
C. Thomas is fabulous, say
the Right Wing.

What makes a hard
times guy qualified as a judge
on our highest court - a "real
down-to-earth fellow" -
"loves basket ball" - "bringing up
a par on his own" - please!
Nothing on ~~the~~ ^{his} position
on the issues. What an

underestimation of the masses?
Of course since Bush got so
many votes you may be right
about this "talking down" to
the public. But there are exceptions!
I recently wrote a note
complimenting you.

There is no debate here -
no information about his stand
on the issues.

I've had students who
have done better presentations
on political issues & persons.
Is C. Sopen the voice
of the Bush Mafia. Are
we a one-party - Right-wing
Republican only system?

(over) #1 and #2
of a
presentation
