sexual scandals & brainwashed re Liberal / ^{9/6/2020}
racist "ideas" re Slavery, etc would
ever give so much focus to such minis-
cule & truly irrelevant issues as Sally +
Jefferson: ① we don't know what their rela-
tionship was really like ② DNA could apply to
any Jefferson family member ③ slavery was
an accepted instit. for centuries going back to
the Greeks, etc. ④ Greeks sold other blacks
into slavery ⑤ about 10% of Southerners were
plant. owners - I'm sick to death of this
current polit. correctness whose object is to
denigrate "dead white males", ie Found. fathers,
writers, etc. ~~NO MORE~~ of this, please!
Focus on what makes Jett. Great ✓
