To whom it may concern:

"I watch C-SPAN because" — it has great coverage of President Reagan, for one thing. It is important to hear his speeches firsthand, so that I know for myself what he said, as opposed to secondhand interpretations. As I watch it more, my respect for C-SPAN grows. How wonderful to see and hear our politicians in action and get to know them! The press conference by Louis Farrakhan was very enlightening, too. C-SPAN provides a unique and vital service to this country. I hope that more people will watch it, because a better informed people insures freedom for us all.

Sincerely,
