Dear Sirs:

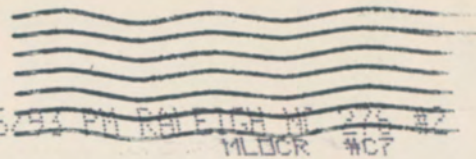

I was delighted this past Sunday to see your fine program Questions to the Prime Minister has ~~rezoomed~~ resumed the practice of showing, on the lower part of the TV screen, the district each person represents.

Six or eight weeks ago a policy was begun in which only Conservative or Labour was shown instead of that plus their district. I have been planning to write and complain about

the change. Now that the former policy has been reinstalled, I thought it better to write and say thank you.

Yours truly,

P.S. Your station is a wonderful thing except for one thing. I find myself sitting hour after hour hooked and unable to get away.
