Dear Mr. Lamb:

I SUPPORT THE PRESIDENCY!

The media should show some respect for the office of President of the United States. Maybe Bill Clinton had an affair or two. More likely, this is a planned attack by his political enemies. In either case, I DON'T WANT TO HEAR ANY MORE ABOUT IT. It has nothing to do with the business of the nation.

President Clinton is doing a very good job. We have the best economy in decades. He has a high rating in the public opinion polls. I request you focus our attention on the important business of the nation, and stop demeaning its highest office.
