

Monday evening  
May 24th

Dear C-Span,

Your choice for a  
guest journalist this  
morning, namely David  
Cron, Washington Editor  
of "The Nation," was a

disaster. A purely,  
self-centered young  
man. His words

"Those with other  
beliefs should withdraw  
from civic society" The  
subject was the acceptance  
of the gay life style.

Let's not see him  
again!

Thanks,  
Kieve
