Dear Mr. Lamb:

A week has gone by and I still believe that The Democratic Party has shown itself to be UNQUALIFIED to serve as either jury or judge. Not one of their members ROSE above their party's political NEED or their individual welfare to vote their CONSCIENCE. They plain and simply lacked the COURAGE to follow the CONSTITUTION.

I feel very sad that men such as Senator Moynihan, Senator Byrd and Senator Arlen Specter didn't DARE TO DO RIGHT and vote their conscience. *s. unplech p*

I am so very, very proud of the HOUSE
Republicans and especially their MANAGERS,
they followed the constitution and voted
their consciences.

Congressman Henry Hyde deserves
particular credit for keeping his head and
DARING TO DO RIGHT, in spite of the
ENDLESS HECKLING and DISTORTION
of facts by so many DEMOCRATS and
the MEDIA.

I believe the public will show
its appreciation for INTEGRITY in
the next election.

Sincerely yours,
