

Dear Sirs:

June 21, 1999

Thank you for your series on American Presidents. That is a VERY SPECIAL interest of ours, & we have many volumes of biographies & histories of the Presidency in our personal library.

We would appreciate knowing more information about this series. This is the 1<sup>st</sup> time we have heard your broadcast - Also a schedule, & possible repeat of this series - if planned. We heard you on our local C. Span, TV 98 Station.

Both of us have been teachers for many years. Grade school → high school level.

Thank you VERY MUCH  
Sincerely
