Dear Brian,
I am very disappointed that C-SPAN elected
not to cover live or tape for future use,
the public policy forum entitled The
Two-Party System and Its Discontents
on May 13 at the Washington College of Law.
C-SPAN is mandated to provide coverage
of forums and activities (in addition to
House and Senate sessions) where public
policy is discussed, debated and
decided with a balanced presentation
of points of view. Your failure to do so
indicates a deliberate action to
deprive a large segment of the public
a discussion of the growing discontent
with the two-party system and the
relevance of a two-party system.
C-SPAN's action
disfranchise the
process. Sham
